Muzrai Secretary's Remarks.

There are some points to be considered before the sanction of Govt is accorded to the Committee's proposal in the matter of filling up the vacancy.

Pandita Ratnam Kasturi Rangachar was

teaching Tarka, Vishtadwaita Vedanta and Mimamsa. As Mimamsa is a very special subject, it is not understood by the generality of Pandits. It would appear that the Committee have removed the subject at present from the teaching owing to the paucity of students and also the difficulty of getting a competent teacher. What is left therefore is Tarka and Visishtadwaita Vedanta. For the teaching of these, a great many Pandits - old and young - are readily available. There are men who have passed the Mysore Vidwat Examinations and others of acknowledged high learning, who are suffering for want of means of subsistence, and yet the Committee have recommended for the appointment, one Lakshmipuram Srinivasa Char on a salary of ₹30, while the pay of the deceased was ₹35/-. He already holds two appointments - one of ₹40 in the Oriental Library (which I understand has been recommended to be increased to ₹60 in the Education Department) and another of ₹18 in the Palace Library. It is understood further that

MGCPB—2,500—1-8-05

the gentleman in question has to work at the Oriental Library from 11 A.M. till evening and to work at the Palace Library in the mornings. How he can find time to work in the Sanskrit College also is not explained in the Committee's resolution, which contains no explanation whatever on this point.

The conferring of several appointments upon one and the same individual appears to be a matter to be discouraged and an observation to that effect was made in the last para of the Govt Pro. No. 4221-4, dated 28th March 1906. My humble opinion therefore is that the appointment recommended by the Committee does not seem deserving of the approval by Government.

Slip.

There exists a great discontent among the lower paid Pandits of the Sanskrit Bolleges at Mysore and Bangalore, that they were not given any increases of pay during the two chances which occurred during the past 3 years. Their pay being

File No. of 190 | Muzrai Secretariat.

in most cases only ₹10 or ₹12, I think this is a suitable opportunity for giving something to them, ~~giving~~ fixing a smaller pay of ₹18 to a new man.

My humble proposals therefore are:-

	Present pay.	Proposed pay.	Increase.
Mysore College.			
(1). Puttusami Pandit, Vydya Teacher,	₹18.	₹20.	₹2.
(2). Krishnavadhani, Rigveda ,,	12.	15.	3.
(3). Kesava Sastri, Kavya ,,	12.	15.	3.
Bangalore College:-			
(1). Viswanatha Sastri, Kavya ,,	14.	15.	1.
(2). Gopalakrishna Sastri, Ditto.	12.	14.	2.
(3). Venkatesa Sastri, Ditto.	12.	14.	2.
(4). Subba Bhatta, Rigveda Teacher,	10.	12.	2.
(5). Srinivasiengar, Ditto.	10.	12.	2.
		Total increase..	₹17.
		Pay of the new man	₹18.
		Grand Total	₹35/-.

As regards the person to be newly appointed, I beg to state that a good many applications have been received, a list of which is attached. Many

of them are persons who are already in the College and who draw handsome pay, and recently obtained promotions also. In my humble opinion, the most suitable person appears to be one Vajapeyam Sundara Char, an elderly Srivaishnava Pandit, who is a man of the old school and of acknowledged fame and abilities, and whose admission into the College will really be an acquisition to it. He bears many certificates of great learning including among them certificates from the present Dewan of Mysore (given while he was in Travancore) and by Mr. Bhabha, Inspector General of Education. He holds no other appointments anywhere, but gets a small honorary stipend of ₹9 from the Palace as a Vidwan, for which he is not required to perform any duties. He says that this allowance was sanctioned to him in the days of Mr. Ranga Charlu.

I am sorry I have to differ from the Committee's resolution, but the circumstances mentio

I have received a great many Complaints against the Contemplated arrangements to fill the vacancy caused by the death of Mundita Ratnamma Kasturi Rangachar There is a good deal of discontent running - the Teachers for want of fair treatment as they say - I decidedly object to the proposal to appoint Lakshmipuram Sreeni vasachar on Rs 30. He is already getting Rs 40 in the Oriental Library and Rs 18 in the Palace Library It will be cruel to give him more work - The Committees recommendation may be disallowed - I am surprised

that Messrs Mahadeva Sastry & Ramakrishna Rao should have made such a proposal -

I have just seen Vajapeyam Sundaracha His speciality is Tarka Sahitya & Alankara. He is a Sri Vyshnava Brahmin of acknowledged erudition and appears to be the fittest man for the place. The Muzrai Secretary's proposal to start him on Rs 18 may be approved -

Sir,

Adverting to your correspondence noted in the margin and to Resolution No: III of the Managing Committee, Maharaja's Sanskrit College, dated 11th Nov. 1906, regarding the appointment of a successor to the late Pandith Ratnam - Kasturi Ranga Charya whose death took place on the 8th idem, I have the honor to state that the Committee have had to exercise much thought and discretion in proposing a fit candidate to fill the vacancy. The late Pandit Ratnam was teaching Visishtadwaitha Vedantha and Tarka in a manner which used to attract students in these subjects from distant Countries. The Traditional reputation the College has thus earned in this respect requires as far as possible to be kept up. Proficiency such as could give finishing touches to studies in Tarka, leading the students through wholesome

2. " No: 2846 dated 27-11-06.

wholesome process of reasoning to grasp the Truths of Vedantha along with the allied subjects, such as, Sankhya, constitutes the chiefest - requisite for the teacher in point. Having accordingly looked far and wide, the Committee are glad to find that Pandith Lakshmipuram Sreenivasa Char of the Oriental Library, Mysore, well satisfies the r equired conditions. He studied Vedantha and Tarka with the late Pandith Rathnam and passed the Vidvath examination in both these subjects creditably. He has since had experience in teaching these subjects i n private to students for several years past. He is well versed in the Sankhya System also, and is quite competent to teach advanced Works on Rhetoric (Alankara). To a sound Scholarship, he unites a clear head and a method of teaching suited to attract young minds and many a student of Tarka and Vedantha preferentially looks up to him alone, next to the late Pandith Rathnam for the instruction required in these subjects. The Committee therefore are unanimously of opinion that his appointment in lieu of the late Pandith Rathnam will meet all possi - ble requirements and prove highly acceptable to all the students o f Tarka and Vedantha. Since this Pandith is also connected with the - Palace and the Sarasvathi Bhandar, I am glad to inform you that His Highness the Maharaja is pleased to permit his services being utilized for the Sanskrit College so as not to interfere with the work in the Sarasvathi Bhandar. The fulfilment of this latter being arranged for, the

the Committee have much pleasure in hereby recommending his appointment in the College to fill up the vacancy in question on a salary of ₹30/- (Rupees thirty) per mensem or ₹5/- less than that of the late Pandith Rathnam which was ₹35/- per mensem. The balance, Viz., ₹5/- p.m., the Committee on further careful considration unanimously recommend, may be added to the pay of the Dwaitha Vedantha Teacher - Perikolam Ramachendra Char who has proved himself a capable Teacher, thus equalizing the pay of the Teachers of all the three Systems of Vedantha.

2/. The recommendations of the Committee as above detailed have my full concurrence and I beg to submit the same for the favorable - orders of Government.

3/. I beg also to add that in order that the interests of the students of Vishistadvaita Vedantha may not suffer by any cessation of work, the said Pandith Lakshmipuram Sreenivasa Char has been put in charge of the Chair now vacant in this respect in anticipation of the sanction of Government as above prayed for.

My dear Sir,

When I last saw the Dewan, he referred to the pending questions in connection with the Maharaja's Sanskrit College, Mysore. He wished to have the matters disposed of as soon as possible, and asked me to so arrange that the matters may come up before him during his present stay in Mysore city; which, as you have said, seems impossible.

Among other things he wanted to have the College equipped with the best available teachers in Tarka, Vyakarana, Mimânsâ, and Vedânta. As to Vyakarana some of the pandits (there present) suggested

2/
the name of Subbarayachariar,
came to Mysore ——— once or twice
some years back and was then
as an Examiner for the V
Vidvat Examination going on in
the College. He is, I hear, somewhat
old, being nearly seventy, but not physica
quite weak. In connection with
Jaska, one Singalâchârya (a Srivaish
va of Conjeeveram) was mentioned
On subsequent enquiry, I was told
have learned that he is employe
in Madras to lecture once a week
on Vishtadvaita Philosophy to
a denominational sect of Vaisyas
who pay him Rs. 50 a month out
of an Endowment fund established
bequeathed by a rich Vaisya

the Pandit is employed also as a teacher at Conjeeveram on a monthly salary of Rs. 20. In connection with Visishtadvaita Vedanta two names have been suggested by those of whom I have subsequently enquired. — namely (1) Srirangachar (Tirupati) and (2) Narasimhachar (Srirangam). But these are not likely to accept teacherships in College, as they are too orthodox to teach the Vedanta in the College, and that to a mixed class of Tengalai and Vadagalai Srivaishnavas. We may however, try. I have been enquiring as to who may be the best teacher of Advaita Vedanta and Mimâmsa. It is more difficult to secure proper teachers for these subjects than for any other subject or subjects. So far as my enquiries go, there is one Pandit with Mr. A. Ramachandra Iyer

~~our~~ our late Chief Judge. He will be a good teacher of both Mimamsa and Vedanta (Advaita). Mr Ramachandra wrote to me once about him in connection with the vacancy in the Oriental Library for which proposals had already been invited recently. From my enquiries of the pandits of Sriperumbudur last week, I learn that he will be a quite capable teacher of the two subjects. With him as the principal teacher of the subject it will be possible to manage the Mimamsa and Advaita-Vedanta classes, ~~with~~ with the help of a Mimamsa fellow.

The Dewan ~~also~~ is also anxious to meet the wishes of the Poor Vidvat Students of the College by instituting some fellowships in Sahitya, Tarka, Vyakarana, Vedanta and Mimamsa. We may have two in each subject. The Dewan refers to another ~~matter~~ kind of help sought by the Students in their petition.

He vaguely referred to it as something connected with feeding in the Chhatram. I am at a loss to guess whether ~~it refers~~ they wanted to have all the students of the College fed at the Chattram ~~or~~ instead of a limited number (thirty + eighteen); or they wanted ~~to~~ to have the scholarships paid in full instead of in moiety (as is now the case) in the case of the students now fed at the Chhatram and the Krishna Swami Temple. Perhaps their petitions ~~to the College~~ filed in received in the Secretariat may throw some light on the matter. Whatever it is, the Dewan wished to make some suitable arrangements in the Chhatram for the feeding of

the students.

All this means additional
The funds now available will
be enough to pay decent salaries
to the first class pandits who have
be got from outside Mysore. Nothing
less than Rs. 50 per month will
attract a first class pandit. In
some cases a higher sum will
have to be offered. But if the
efficient teaching of the General
subjects be aimed at, the Govt.
must be prepared to sanction
additional funds. At Benares
and Calcutta, the teachers of
Sanskrit Colleges are paid the

higher Salaries,
from Rs 25 up to Rs-200
College and to Rs 300 in the
Benares Sanskrit College. ~~But~~ But
the two Colleges, especially in the Calcutta
Sanskrit College, non-brahmins are
admitted as students, whereas
ours is confined to brahmins. Most
of the subjects taught in our College may be regarded as
secular; but with the orthodox
brahmins here, there is nothing
secular in Sanskrit Literature—
If the Secular portion of the curriculum
be thrown open to all irrespective of
caste, then more funds may be perhaps
made available for the Sanskrit ~~learning~~
learning, from the State Funds. Even confining

the Sanskrit learning of the Sanskrit
to the brahmins, State grants may be
as conducive to ~~them~~ the
the ancient learning in the only form
and through the only agency now possible
If thrown open to all, is it likely tha
any large number will avail
themselves of the opportunity? I thi
rather not likely I am even afraid
that such a step will repel many
an orthodox brahmin student from
the College and the result will be
a death-blow to the Sanskrit learn

I beg you will kindly excuse
the length of the letter. I have much to
on the several subjects. But, for fear of wearisomeness, I desis

Yours obediently
